

Eisenhower Park Rose Garden Memorial Policy

Due to the large variety and styles of existing memorials, our policy has changed. We would like a more uniform design conducive to the nature of the garden. All memorials must fit these guidelines. Any exceptions must be approved by the Eisenhower Friends of the Park Committee.

For those who wish to place a memorial in memory or honor of a loved one in the Rose Garden, we offer several options:

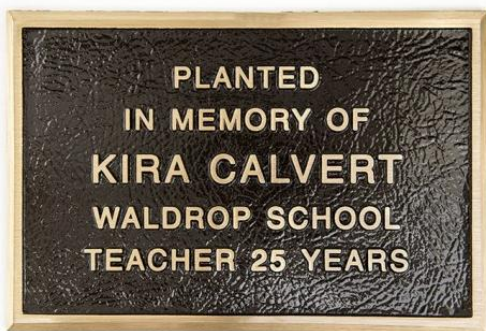

A 6x4” bronze plaque with 4 – 7 lines, up to 30 characters/spaces per line, mounted on a stake in front of a rose bush.

Rose Bush - \$50.00

Bronze Plaque 4 Lines – \$175.00

Bronze Plaque 7 Lines - \$ 225.00

Rose varieties must be able to thrive in our area and are subject to the approval of the Eisenhower Friends of the Park Committee. A rose bush must be planted in its prime season between March and June, but can be ordered anytime.

An 8x6 bronze plaque with 6 lines, 30 characters/spaces per line, mounted on a stake, in front of a tree.

Tree - \$125.00

Bronze Plaque - \$275.00

A tree must be planted between April and October. All special request plantings must be trees that will thrive in our area, and are subject to the approval of the Eisenhower Friends of the Park Committee.

We have a number of young trees in prime locations that can be “adopted for \$50.00 with the addition of the cost of the plaque.

Benches

Benches are a permanent and lasting way to memorialize a loved one. They offer a place of quiet reflection for many years.
