Parent Code of Ethics

Youth Sports Program Policies

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event.
- I will place the emotional and physical well-being of my child ahead of a personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I will demand a sports environment for my child that is free of drugs, tobacco, and alcohol, and will refrain from their use at all youth sports events.
- I will remember that the games are for youth - not adults.
- I will do my very best to make youth sports fun for my child.
- I will ask my child to treat other players, coaches, fans and officials with respect, regardless of race, sex, creed, or ability.
- I promise to help my child enjoy the youth sports experience by doing whatever I can, such as being a respectful fan, assisting with coaching, or providing transportation.

- All teams will be formed by the Abilene Parks & Recreation Department.
- A \$5/child late registration fee will be charged for all late registrations. Late registration will be accepted until teams are full. After teams are full, all late registrations will be put on a waiting list. Waiting list applicants will not be guaranteed placement. Late registration sign-ups may not request to be placed on a specific team.
- All youth must play in the appropriate age/grade division. Requests to be moved to another division will not be granted.
- Youth will be contacted by their coaches to when/where practices will be held, as well as game schedules.
- Requests for three coaches to coach a team will not be allowed unless one of the coaches does not have a child participating in the program.
- Requests for youth to be placed on the same team as a friend or with a specific coach will be considered, but there are no guarantees.
- Our goal is to provide the opportunity for participating to all who enter, regardless of skill or ability level. We wish to provide youth with a fun learning experience and the opportunity to develop lifetime leisure skills.

Petals at Their Peak Garden Showcase

At Eisenhower Park Rose Garden, 500 NW Pine Street, Abilene, KS

Saturday & Sunday July 18 & 19, 7:00 a.m. - 12:30 p.m. at the Rose Garden

It is a celebration of the breathtaking beauty of the **Eisenhower Park Rose Garden** at its finest. While the garden's delicate roses may fade in the summer heat, vibrant annuals and perennials burst with color, creating a stunning display. This event offers the perfect opportunity to admire and photograph the garden in full bloom, with the early morning hours providing the best light for capturing its splendor. Don't miss this chance to experience nature's artistry at its peak!

Meet with Landscape Designer Joy Maas and Horticulturist Asst., Sarah Taylor to answer your garden questions. We will have "Petals at Their Peak" t-shirts available for purchase of \$25.00.

We are planning things a bit different this year with more time to just enjoy the flowers. Instead of the usual class that we teach called **"You Too Can Have a Green Thumb"**. I have transcribed the class into a handy reference booklet available for a donation of any amount to Friends of the Park.

Our Color Theme this Year is Red, White & Blue to celebrate America 250!
