

## NOTICE OF STUDY SESSION / WORKSHOP

For Abilene City Commission, Planning Commission, Recreation Commission, Economic Development Council, Heritage Commission, and Convention and Visitors Bureau

5 p.m. May 3, 2018  
Abilene Community Center  
1020 NW 8<sup>th</sup> St., Abilene, Kansas

**TO: Abilene City Commission, Planning Commission, Recreation Commission, Economic Development Council, Heritage Commission, and Convention and Visitors Bureau**

**FROM: Austin Gilley, City Manager**

### **PURPOSE AND AGENDA**

This meeting will be facilitated by guest moderator John Divine of The Leadership Firm. This meeting is designed as the third and final phase of the City Commission's orientation process. With all of the City Commissioners in their first terms, we developed a three-phase orientation: 1. Nuts and Bolts; 2. Team Building; and 3. Community Vision. All of the City Boards have an advisory role to the Commission, and it is important to include these specific strategic boards in the conversation. As public bodies, this meeting is open to the public and anyone is welcome to attend and listen. The meeting will be structured and intended for board interaction only. Meal provisions have been made only for those who have made reservations.

END###
