TO: City Commission

RE: Meeting schedule update

This is a friendly reminder that there will be no Commission meeting Monday, July 23, 2018, due to scheduled absences.

Also, City Attorney Aaron Martin advises that the legal representative for Bradford Built, Inc., has asked to postpone the proposed special meeting for next Wednesday. You may recall we had planned to review and decide the development agreement for that project, but it is my understanding that the applicant is working to finalize negotiations and infrastructure commitments. Once the applicant's final request is received, we will work to schedule a meeting or include in the regular meeting schedule.

We also may have need for Commission action on the temporary CMB license for the Central Kansas Free Fair, but we are still researching the requirement. If that is the case, we may look to schedule a special meeting for Monday, July 30, 2018.

As of now, our next scheduled meeting is a Study Session for Monday, August 6, 2018. I apologize for all the scheduling uncertainty, and I will work to keep you advised.

Thank you,

Austin Gilley
