STUDY ITEMS

- **Commission vacancy appointment:** I am setting aside this time for the Commission to interview the candidates selected at the October 29, 2018, special meeting: Tim Holm, Duane Schrag, Dennis Weishaar, and Trevor Witt. The current plan is for the Commission to make a final selection at the November 13, 2018, regular meeting, and for the selected candidate to be sworn in at the November 26, 2018, regular meeting. I continue to believe that unanimous consent would be an excellent goal for this selection.
