Mayor and Commission Members  
City of Abilene, Kansas

### **Independent Auditor's Report**

We have audited the accompanying financial statements of the City of Abilene, Kansas (the City), as of and for the year ended December 31, 2007, as listed in the Table of Contents. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Kansas Municipal Audit Guide*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described in Note 1, the City prepares its financial statements on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The differences between the statutory basis of accounting and accounting principles generally accepted in the United States of America are also described in Note 1.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash balances of the City of Abilene, Kansas as of December 31, 2007, and the revenues it received and expenditures it paid for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 8, 2008 on our consideration of the City of Abilene, Kansas's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

# *Independent Auditor's Report*

September 8, 2008  
Mayor and Commission Members  
City of Abilene, Kansas  
(Continued)

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the City of Abilene, Kansas's basic financial statements. The remaining information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements of the City of Abilene, Kansas. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

This report is intended for the information and use of the City Council and management of the City of Abilene, Kansas, and for filing with the Kansas Department of Administration, Division of Accounts and Reports, and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

**CITY OF ABILENE, KANSAS**  
**NOTES TO FINANCIAL STATEMENTS**  
For the Year Ended December 31, 2007

**Notes to Financial Statements**

**Note 1: Summary of Significant Accounting Policies**

The City of Abilene, Kansas (the City) was chartered March 16, 1868, and operates under a Commissioner-Manager form of government. The accounting policies of the City conform to the cash-basis and budget laws of Kansas (statutory basis). The following is a summary of the more significant policies:

***The Financial Reporting Entity***

The financial reporting entity of the City of Abilene, Kansas is comprised of the primary government (the City) and its component unit.

The basic criterion for including a separate governmental entity in the City's financial reporting entity is the financial accountability of the City for the separate entity. The City is financially accountable if it appoints a voting majority of a component unit's governing body and if it either has the ability to impose its will on the component unit or there is a potential for the component unit to provide certain financial benefits to, or impose certain financial burdens on, the primary government.

The City's component unit is discussed in the *Discretely Presented Component Units* section of this note and is included in the City's reporting entity because of the significance of its operational or financial relationships with the City.

***Fund Accounting***

The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. In the financial statements in this report, the various funds are grouped into generic fund types and broad fund categories as follows:

***Governmental Funds***

*General Fund* - The general fund is the general operating fund of the City. It is used to account for all unrestricted financial resources except those required to be accounted for in another fund.

*Special Revenue Funds* - Special revenue funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

*Debt Service Funds* - Debt service funds are used to account for the accumulation of financial resources for, and the payment of, general long-term debt principal, interest, and related costs.

*Capital Project Fund* - Capital project funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities.

***Proprietary Funds***

*Enterprise Funds* - Enterprise funds are used to account for operations that provide goods or services to the general public on a continuing basis. Such operations are financed and operated in a manner similar to private business enterprises and a) are intended to be self-supporting through charges to users or b) the governing body has deemed it appropriate to account for them as enterprise funds for capital maintenance, public policy, management control, accountability, or other purposes.

*Fiduciary Funds* - Trust and Agency Funds are used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or other funds.

**CITY OF ABILENE, KANSAS**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
For the Year Ended December 31, 2007

**Note 1: Summary of Significant Accounting Policies (Continued)**  
**Statutory Basis of Presentation**

The statutory basis of accounting, as used in the preparation of these statutory basis financial statements, is designed to demonstrate compliance with the cash basis and budget laws of the State of Kansas. Cash receipts are recognized when the cash balance of a fund is increased. Expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments related to unperformed (executory) contracts for goods and services, and are usually evidenced by a purchase order or written contract. For an interfund transaction, a cash receipt is recorded in the fund receiving cash from another fund, and the expenditure would be charged in the fund from which the transfer is made.

The City has obtained a waiver from generally accepted accounting principles from the State of Kansas, which allows the City to revert to the statutory basis of accounting.

**Departure From Generally Accepted Accounting Principles**

The basis of accounting described above results in a financial presentation which shows cash receipts, disbursements, cash and unencumbered cash balances, and expenditures compared to budget. Balance sheets that would have shown noncash assets such as receivables, inventories and prepaid expenditures, liabilities such as deferred revenue and matured principal and interest payable, and reservations of the fund balance are not presented. Under accounting principles generally accepted in the United States of America, encumbrances are only recognized as a reservation of fund balances; encumbrances outstanding at year end do not constitute expenditures or liabilities. Consequently, the expenditures as reported do not present the cost of goods and services received during the fiscal year in accordance with accounting principles generally accepted in the United States of America. General fixed assets that account for the land, buildings and equipment owned by the City are not presented in the financial statements. Also, general long-term debt such as general obligation bonds, temporary notes, and compensated absences are not presented in the financial statements.

**Budgetary Information**

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special revenue funds (unless specifically exempted by statute), debt service funds and enterprise funds. The statutes provide for the following sequence and timetable in the adoption of the legal and annual operating budget.

1. Preparation of budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

**CITY OF ABILENE, KANSAS**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
For the Year Ended December 31, 2007

**Notes to Financial Statements**

**Note 1: Summary of Significant Accounting Policies (Continued)**  
**Budgetary Information (Continued)**

All legal annual operating budgets are prepared using the modified accrual basis of accounting, modified further by the encumbrances method of accounting. Revenues are recognized when cash is received. Expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitments, such as a purchase order or contract. All encumbered appropriations (legal budget expenditure authority) lapse at year end.

A legal operating budget is not required for capital projects funds, trust funds, and the following special revenue funds:

- Equipment Reserve
- Capital Improvement

Spending in funds which are not subject to the legal annual operating budget requirements is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

**Discretely Presented Component Units**

The component unit section of the financial statements includes the financial data of the City's component unit, Abilene Public Library. It is reported separately to emphasize that it's legally separate from the City. The City Commission appoints the governing body of Abilene Public Library.

The Library is organized under KSA 12-1218. The City levies a property tax for the Library under KSA 79-1952, which is deposited in a City special revenue fund and transferred to the Library for its operations. Separate financial statements of the Library may be obtained from its administrative office.

**Special Assessments**

Projects financed in part by special assessments are financed through general obligation bonds of the City and are retired from the Bond and Interest Fund. Special assessments paid prior to the issuance of bonds are recorded as revenue in the appropriate project. Special assessments received after the issuance of bonds are recorded as revenue in the Bond and Interest Fund.

**Investments**

Investments are stated at cost, which approximates market.

**Compensated Absences**

Full-time permanent employees are granted vacation benefits in varying amounts to specified maximums depending on tenure with the City. Sick leave accrues to full-time, permanent employees to specified maximums. Generally, after one year of service, employees are entitled to all accrued vacation leave upon termination. Employees with more than 20 years of tenure are entitled to 25% of their sick leave balance upon retirement or separation. At December 31, 2007, the City's liability for unused vacation time is approximately \$102,473, attributable to governmental and proprietary funds. Sick leave is estimated to be \$66,263.

**Deposits and Investments**

As of December 31, 2007, the City had no investments and maturities.

**CITY OF ABILENE, KANSAS**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
For the Year Ended December 31, 2007

**Note 2: Deposits and Investments**  
**Deposits and Investments (Continued)**

As of December 31, 2007, the City had no investments and maturities.

K.S.A. 9-1401 establishes the depositories, which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

*Concentration of Credit Risk*

State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. At December 31, 2007, the City had no investments applicable under these statutes.

*Custodial Credit Risk - Deposits*

Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The City had no designated "peak periods".

At December 31, 2007, the carrying amount of the City's deposits, including certificates of deposit, was \$8,403,166 and the bank balance was \$8,561,465. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. Of the bank balance, \$676,164 was covered by federal depository insurance; \$7,885,301 was collateralized and protected by surety bond or safekeeping agreement with the Federal Reserve and held by the City or Federal Reserve.

*Custodial Credit Risk - Investments*

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At December 31, 2007, the City held no investments with public money.

Kansas statutes authorize the City to invest in U.S. Treasury bills and notes, repurchase agreements, and the State Municipal Investment Pool. All investments must be insured, registered, or held by the City or its agent in the City's name.

The City maintains a cash and investment pool that is available for use by all funds. The City conducts all its banking transactions with Solomon State Bank, Astra Bank, and Pinnacle Bank. Interest revenue received from investment activities is allocated to the appropriate funds.

| <b>PAYABLE DEC. 31, 2007</b> | <u>\$ 1,615,000</u>   | <u>\$ 9,565,196</u> | <u>\$ 904,478</u> | <u>\$ 1,541,880</u> | <u>\$ 13,626,554</u> |

Total interest expense for the year was \$228,068.

Upon authorization for the issuance of general obligation bonds for certain improvements, Kansas law permits the temporary financing of such improvements by the issuance of temporary notes. Temporary notes issued may not exceed the aggregate amount of bonds authorized, must be interest bearing and have a maturity date not later than four years from the date of issuance of such temporary notes. Temporary notes outstanding are usually retired from the proceeds of the sale of general obligation bonds.

**Conduit Debt**

From time to time, the City has issued industrial revenue bonds to provide financial assistance to the private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are generally payable from and secured by the project financed and if needed, additional assets or revenues of the private-sector entity served by the bond issuance. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the City, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds.

Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of December 31, 2007, there was one industrial revenue bond outstanding. The principal amount payable at December 31, 2007 could not be determined, however, the original issue of the bond was \$1,750,000.

**Note 4: Defined Benefit Pension Plan**  
**Plan Description**

The City participates in the Kansas Public Employees Retirement System (KPERs) and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing multiple-employer defined benefit pension plan as provided by KSA 74-4901, *et seq.* KPERs and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERs and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERs (611 S. Kansas Avenue, Suite 100, Topeka, KS 66503-3803) or by calling 1-888-275-5737.

**CITY OF ABILENE, KANSAS**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
For the Year Ended December 31, 2007

**Note 4: Defined Benefit Pension Plan (Continued)**

**Funding Policy**

KSA 74-4919 establishes the KPERS member-employee contribution rate at 4% of covered salary. KSA 74-4975 establishes KP&F member-employee contribution rate at 7% of covered salary. The employer collects and remits member-employee contributions according to the provisions of section 414(h) of the Internal Revenue Code. State law provides that the employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS and KP&F are funded on an actuarial reserve basis. State law sets a limitation on annual increases in the employer contribution rates. The KPERS employer rate established by statute for January 1, 2007 to December 31, 2007 is 5.31%. The City employer contributions to KPERS for the years ended December 31, 2007, 2006 and 2005 were \$59,237, \$49,497 and \$46,938, respectively, equal to the statutory required contributions for each year. The KP&F uniform participating employer rate established for fiscal years beginning in 2007 is 13.32%. Employers participating in KP&F also make contributions to amortize the liability for past service costs, if any, which is determined separately for each participating employer. The City's contribution to KP&F for the years ended December 31, 2007, 2006 and 2005 were \$115,678, \$101,932 and \$96,978, respectively, equal to the statutory required contributions for each year.

**Note 5: Post-Employment Disclosures**

The City's personnel policy includes a provision whereby the City provides 50% of the cost of health insurance benefits until age 62 to retirees with 10 or more years of service. As of December 31, 2007 the City has no retiree meeting the eligibility requirements.

There is no liability at December 31, 2007.

**Note 6: Capital Projects**

At year-end, capital projects authorizations with approved change orders compared with expenditures from inception are:

| Project Name                      | Expenditures<br>to Date    | Project<br>Authorizations   |
|-----------------------------------|----------------------------|-----------------------------|
| Cedar Ridge Estates               | \$ 651,085                 | \$ 855,880                  |
| Wastewater Treatment Plant        | 7,635,602                  | 9,624,200                   |
| Eastridge Estates                 | 250,128                    | 498,022                     |
| Dawson 4                          | 92,889                     | 435,127                     |
| The Highlands Addition            | 10,846                     | 4,571,276                   |
| <b>Total at December 31, 2007</b> | <u><u>\$ 8,640,550</u></u> | <u><u>\$ 10,480,080</u></u> |

**Note 7: Commitments and Contingencies**

**Construction Contracts**

At December 31, 2007, the City had pending construction project contracts. Commitments related to significant contracts include contracts for the City's capital improvements.

**Risk Management**

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City manages these various risks of loss through commercial insurance with varying deductibles. All deductibles are \$3,000 or less. Claims have not exceeded this commercial coverage in any of the three preceding years.

**CITY OF ABILENE, KANSAS**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
For the Year Ended December 31, 2007

**Note 8: Transfers**

Transfers were as follows:

|                         | <u>Transfer In</u> | <u>Transfer Out</u> |
|-------------------------|--------------------|---------------------|
| General Fund            | \$ 140,000         | \$ 222,584          |
| Water Fund              | -                  | 212,000             |
| Sewer Fund              | -                  | 85,000              |
| Equipment Reserve       | 182,584            | -                   |
| Tourism and Convention  | 40,000             | -                   |
| Storm Water Drain       | -                  | 5,000               |
| Equipment Reserve Water | 137,000            | -                   |
| Equipment Reserve Sewer | 25,000             | -                   |
|                         | <u>\$ 524,584</u>  | <u>\$ 524,584</u>   |
| <b>Total Transfers</b>  |                    |                     |

**Note 9: Stewardship, Compliance and Accountability**

The debt service fund and airport fund incurred more expense than was budgeted for the year ended December 31, 2007. The debt service fund was over-budget by \$11,990 and the airport fund was over-budget by \$243,149. The airport fund being over budget is a result of the Federal Aviation Administration (FAA) grant project not being budgeted due to the project being 95% funded by the FAA.

As of December 31, 2007, there was one budgeted fund, airport fund, which showed a deficit unencumbered cash balance of \$64,311. This is a receivable to the City of Abilene from the FAA and is not a true unencumbered cash deficit. The balance owed to the City of Abilene was received in January 2008.

**Note 10: Abilene Recreation Commission**

The Abilene Recreation Commission amended its inter-local agreement with the City of Abilene, effective December 19, 2007. Under this agreement the City of Abilene collects funds on the Commission's behalf and administers the funds to benefit the Abilene Parks and Recreation department recreation funds.

As of December 31, 2007, the Recreation fund showed a deficit unencumbered cash balance of \$205,023. This is a receivable to the City of Abilene from the Abilene Recreation Commission and is not a true unencumbered cash deficit.

As of August 18, 2008, all Recreation Commission funds are being held by the City of Abilene.

**Supplemental Information**

September 8, 2008

Mayor and Commission Members  
City of Abilene, Kansas

**Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards***

We have audited the financial statements of the City of Abilene, Kansas (the City) as of and for the year ended December 31, 2007 and have issued our report thereon dated September 8, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the City's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City of Abilene, Kansas's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the City's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the City's financial statements is more than inconsequential will not be prevented or detected by the City's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the City's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

*Certified Public Accountants' Report*

September 8, 2008  
City of Abilene, Kansas  
(Continued)

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, City Commission, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

*Certified Public Accountants' Report*

September 8, 2008

Mayor and Commission Members  
City of Abilene, Kansas

**Independent Auditors' Report on Compliance With Requirements Applicable to Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133**

**Compliance**

We have audited the compliance of the City of Abilene, Kansas (the City) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2007. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City's management. Our responsibility is to express an opinion on the City's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City's compliance with those requirements.

In our opinion, the City of Abilene, Kansas complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2007.

**Internal Control Over Compliance**

The management of the City of Abilene, Kansas is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the City's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

September 8, 2008  
City of Abilene, Kansas  
(Continued)

#### **Internal Control Over Compliance (Continued)**

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, City Commission, others within the entity, and federal awarding agencies and pass-through entities.

#### **Schedule of Expenditures of Federal Awards**

We have audited the financial statements of the City of Abilene, Kansas as of and for the year ended December 31, 2007, and have issued our report thereon dated September 8, 2008. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of management, the City Commission, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

\* Major Programs

**Note A: Basis of Presentation**

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the City of Abilene, Kansas and is presented on the cash basis of accounting. The cash basis is a summary of cash received and expended during the grant period extending from January 1, 2007 to December 31, 2007. Revenues are recognized when received and expenditures when paid rather than when earned and incurred as required by generally accepted accounting principles. Therefore, this statement is not intended to conform to generally accepted accounting principles. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.
