### **OCCK, Inc. Team Members Available to Meet Abilene Area Community Needs**

Abilene, Kansas – Because of the newly implemented social distancing and sheltering in place recommendations in our communities, OCCK, Inc. is offering regional support services to assist with a variety of tasks in the Abilene area, starting on Monday, March 30, 2020.

During this time of limited social contact, OCCK team members are available for a variety of services, including the following:

- Grocery and/or supply shopping
- Community errands like mail or pharmacy runs
- Help for those feeling isolated or those just needing to talk – we can connect you with licensed professionals
- Resources for information and referrals to other needed services
- Coordination with local agencies for community needs

OCCK, Inc. is committed to serving the community during these difficult times. If you need assistance in these areas, please call the Abilene Regional Office at 785.263.2208.

Service levels will continue to be adjusted as the situation warrants. Information will be submitted to the media, posted on Facebook and the OCCK, Inc. website as needed.

Free fares are available for all public transit services, including CityGo, 81 Connection, Paratransit and City of Abilene and will continue indefinitely.
