**Community Improvement District Policy**

**I. SCOPE.**

The Governing Body of the City of Abilene, Kansas (“Governing Body”) is responsible for encouraging and promoting the City’s economic health. - (l) All other terms shall have the same meaning as defined in the Act.

#### **IV. GENERAL EVALUATION CRITERIA.**

The decision to establish a CID is within the sole discretion of the Governing Body. In determining whether to approve a petition to establish a CID, the Governing Body will evaluate whether the creation of the CID is in the City's best interest, by considering one or more of the following criteria:

- (a) Attracts retail development to positively enhance the economic climate of and benefit the City;
- (b) Results in the building of infrastructure beyond what the City would require or would otherwise build; and
- (c) Promotes new development, rejuvenation, and/or redevelopment within the City.

## V. BOND ISSUANCE.

The City typically expects to utilize pay-as-you-go financing for CID Projects rather than the issuance of bonds or notes under the Act. If due to exceptional circumstances, the Governing Body elects to consider the issuance of bonds or notes for a CID Project, the following guidelines will apply to such issues unless an exception is approved by the Governing Body:

- (a) The minimum principal amount of a special obligation bond or note issue will be \$3 million.
- (b) The minimum denominations of special obligation bonds or notes shall be not less than \$100,000. Minimum denominations may be reduced when one or more of the following are met:
  - 1. The project(s) being bond financed are substantially leased;
  - 2. The estimated revenue stream yields significant debt service coverage on the bonds;
  - 3. Construction of the project(s) being bond financed is 100% complete;
  - 4. The repayment term is less than or equal to 60% of the maximum permitted repayment term; and/or
  - 5. Waiver of the minimum denomination requirement by the Governing Body.
- (c) The special obligation bonds or notes will be placed with qualified institutional investors.
- (d) The City will select the underwriter/placement agent for the special obligation bonds or notes.
- (e) The City may require that an independent feasibility study of future CID Sales Tax or special assessment revenues be performed and the cost of such study shall be borne by the Applicant.
- (f) The City may establish other conditions relating to the security for the special obligation bonds or notes such as minimum projected coverage ratios, minimum equity investment, completion of construction, execution of lease agreements for leased parcels, etc.
- (g) The issuance of bonds or notes with the City's full faith and credit or annual appropriation backing will primarily be reserved for public improvements. The Governing Body may also elect to issue General Obligation Bonds for a CID Project if it may be demonstrated by the petitioner to the satisfaction of the Governing Body that "but for" the issuance of General Obligation Bonds the project would not otherwise be

feasible. The issuance of bonds or notes with the City's full faith and credit or annual appropriation backing must demonstrate to the satisfaction of the Governing Body an at-large benefit to the City and that such issuance of bonds or notes will not negatively impact the City's credit rating.

## **VI. APPLICATION PROCESS.**

The CID application procedure shall be administered by the City Manager and the City Clerk. The applicant shall submit to the City Manager and City Clerk a complete application, which consists of an application form, a petition, application fee, and funding agreement, in accordance with this Section VI. - (b) CID Petition. The petition for the creation of the CID shall be in such form and contain all such information as is required by the Act, and shall include all additional, supplemental information as may be requested by the City Manager. No petition will be accepted by the City Clerk or without the minimum signatures required by the Act. As of the date of this Policy, the minimum signatures required by the Act are: (i) for a CID that is financed in whole or in part with a CID Sales Tax, the petition must be signed by the owners of more than 55% of the land area within the proposed district and the owners collectively owning more than 55% by assessed value of the land area within the proposed district, and (ii) for a CID that is financed by special assessments with no CID Sales Tax, the petition must be signed by the owners of 100% of the land area within the proposed district. - (c) Required Fees and Funding Agreement.
- i. At the time of application, the Applicant shall pay an initial non-refundable application fee of \$1,500.
  - ii. In the course of reviewing and evaluating a CID application, the City may incur out-of-pocket expenses for outside legal counsel, bond counsel, and third-party professional services. In order to reimburse the City for such costs, the Applicant shall agree in a written Funding Agreement with the City to pay for all of the fees of the City's legal counsel, bond counsel and third-party professional services providers, in conjunction with the CID review process, the establishment of a CID, and the issuance of bonds, if applicable, for the CID. In connection with the Funding Agreement, the Applicant shall deposit an initial sum of money determined by the City Manager on a case-by-case basis depending on the size and scope of the CID Project. Any portion of such deposit that is not needed to pay for the fees of the City's outside professionals shall be returned to the Applicant after all activities related to the establishment of the CID have been completed or if the Governing Body determines not to proceed with the establishment of the CID. **(See Attachment A — CID Funding Agreement Example.)**

Upon receipt of a complete application packet, the City Manager, in consultation with other City staff, legal counsel, bond counsel, and other third-party professionals, as applicable, shall review the application packet and make a determination whether the application complies with the requirements of this Policy and the Act. The City Manager may request, at any time during the

preliminary review process, additional information, or corrections or additions to the Application and accompanying materials, to assist in the determination of whether the creation of the proposed CID is in the City's best interest. If the application packet is complete and complies with the requirements of this Policy and the Act, the City Manager shall submit the application packet to the Governing Body.

## **VII. FINAL APPROVAL PROCESS.**

Any conflict between this policy and the Act shall be interpreted in favor of the provisions set forth in the Act.

### **IX. GOVERNING BODY ACTIONS.**

No elected or appointed officer, employee or committee of the City, or other public or private body or individual, shall be authorized to speak for or commit the Governing Body of the City to the establishment of a CID. The establishment of a CID is in the sole discretion of the Governing Body and until the Governing Body has completed all statutorily prescribed steps necessary to establish a CID, any actions by the Governing Body or its officers or representatives shall be an expression of good faith intent, but shall not in any way bind the City to establish a CID.

Approval of the creation of a CID based on the information presented does not constitute an implied or other approval of a site plan, special use permit, plat, rezoning or other land development application. All proposals for Development are subject to land use approvals by the appropriate body.

### **X. WAIVER OF REQUIREMENTS.**

The Governing Body reserves the right to grant or deny a CID under circumstances beyond the scope of this policy or to waive provisions herein. However, no such action or waiver shall be taken or made except upon a finding by the Governing Body that a compelling or imperative reason or emergency exists, and that such action or waiver is found and declared to be in the public interest. The Governing Body shall not waive any statutory requirement of State law.
